

REPUBLIC OF KENYA

MINISTRY OF ENERGY

REQUEST FOR EXPRESSIONS OF INTEREST

ASSIGNMENT TITLE: CONSULTANCY SERVICES FOR THE REVIEW OF SYSTEM OPERATION AND DISPATCH GUIDELINES FOR THE KENYAN SYSTEM

Loan/Credit: Credit No. 5587-KE; Project ID No.P120014, KENYA ELECTRICITY MODERNIZATION PROJECT

Contract/Bid Number: REOI-MOE-123697-CS-QCBS

Deadline: September 10th 2019, 12.00 East African Time

The Government of Kenya through the Ministry of Energy has received financing from the International Development Association (IDA) to support the *Kenya Electricity Modernization Project*, and intends to apply part of the proceeds to carry out a study on the review of system operation and dispatch guidelines for the Kenyan electricity sub sector.

This study will assist the Energy Regulatory Commission (ERC) in regulating system operation and dispatch of electricity in line with best practices. This is also in line with the New Energy Act 2019 and evolution of power markets in the region.

The objective of the study is to review the existing practice and guidelines for system operation and dispatch, identify the existing gaps and make recommendations for improvement of the same in line with international best practice, taking into consideration the existing and expected generation sources.

Invitation to Consultants

This Expression of Interest will lead to short-listing of eligible firms who will be invited to submit proposals to carry out Review of System Operation and Dispatch Guidelines for the Kenyan System.

The Kenya Ministry of Energy now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:

- i. The relevance of the core business of the firm to the envisaged specialized assignment;

- ii. The firm's general and specific experience including similarity and nature of assignments successfully delivered;
- iii. The firm's overall organizational competence, capability and qualifications as demonstrated through its overall technical experts' size and mix, financial, technical and managerial strengths and good will in the industry;
- iv. Earlier client reference, reputation and goodwill the firm has in the sector
- v. Key experts' biodata is not required and will not be evaluated at this stage.

Terms of Reference:

The draft Terms of Reference for this consultancy can be found at [http://energy.go.ke/download/kemp-system operations and dispatch guidelines-tor/](http://energy.go.ke/download/kemp-system%20operations%20and%20dispatch%20guidelines-tor/). The finalized TOR will be included in the Request for Proposals that will only be sent to shortlisted candidates.

Consultants may associate to enhance their qualifications.

The attention of interested Consultants is drawn to section III, para 3.14, 3.16 & 3.17 of the World Bank's *Procurement Regulations for IPF Borrowers: Procurement in Investment Projects Financing Goods, Works, Non-Consulting and Consulting Services, "Procurement Regulations for IPF Borrowers" July 2016, revised November 2017 and August 2018* ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest.

Consultants may associate with other firms in the form of a joint venture or a sub consultancy to enhance their qualifications. A Consultant will be selected in accordance with the Quality Cost Based Selection (QCBS) method, following shortlisting, as set out in the procurement Regulations.
